

USER LICENSE AGREEMENT

This is an agreement between Francesco Biondi, as the composer, and you, the end user. By purchasing a license from us, you agree to be bound by the following terms and conditions as same pertain to the license you purchase.

Pinegroove Music Library Non-Exclusive License

All licenses are valid in perpetuity & unlimited time on a non-exclusive basis for a single end product, according to the end-use or audio-visual synchronization model you choose:

1. "Web License"
For most web uses, YouTube monetized videos, social media, vlogs, online corporate videos promoting a product, service or brand, charity films, tutorials for business websites.
2. "Tv & Radio License"
For TV and radio productions up to national broadcast: commercials, shows, series, pilots.
3. "Games & Apps License"
For commercially distributed products such as apps, video games and audiobooks.
4. "Theatrical License"
For theatrically released films; OTT/VOD; unlimited distribution of DVDs.

You can distribute your end product via different mediums without having to purchase new licenses.

You may not:

- Sell, resell, trade in, or give away the music to any other party or otherwise distribute the music "as is."
- Create/produce new musical works based on the music (musical compositions, songs).
- Use/include the music in different types of music compilations, such as music compilation CDs/DVDs or music albums where the tracks are stand-alone elements.
- Record the music under any Content ID fingerprinting system such as AdRev, Identify, TuneCore etc.
- Redistribute the music as a part of different multimedia templates (e.g., website templates, video templates, e-card templates, slideshow templates) that are subsequently offered to multiple end-users.
- Use or redistribute the music as a part of telephone or mobile phone ringtones.
